June 8, 2016 Board Report

Board Report pg. 1

- Beginning cash balance: $17,822,565.80
- Receipts: 2,413,867.87
- Expenditures: 2,350,510.78
- Ending Cash Balance: $17,885,922.89
- Encumbrances: 2,130,936.28
- Adjusted cash balance: $15,754,986.61

City County pg. 2

- Payments totaling $1,046,942.17 through the end of May. The remainder of this money (roughly $70,000) will be either be spent over this month or be carried over into the next fiscal year.

Investments pg. 2

- Investments remain unchanged for the month.

All Other Funds pg. 3

- The grant accounts are in the red as they are every other month. Final encumbrances must be entered before June 30 with final reporting due to ODE in September.

Three Year Comparison pg. 4

- Receipts exceeded expenditures by a very narrow margin this month. The numbers look much better when looking year-to-date. Receipts have outpaced expenditures by over $1 million.
- Outstanding receivables continue to be higher over the last few months. Once again, we see this number over the $1 million mark.
- Final numbers for the programs are beginning to trickle in. Generally speaking, we have always tried to overestimate what the programs will cost at the beginning of the year in order for us to send out reimbursement checks to the districts rather than invoices. With that being said, it isn’t uncommon for us to issue just as many checks as we do invoices with the total dollar figure of these together being near zero.
