2022 BENEFITS
Open enrollment for the medical, dental, vision, and voluntary plans begins October 11th. The effective date for all changes will be JANUARY 1, 2022.

If you previously waived coverage and wish to enroll or if you wish to add or remove dependents on your plan, you must complete the appropriate carrier enrollment/change form.

**DEPENDENT ELIGIBILITY**

In accordance with the Patient Protection and Affordable Care Act, married or unmarried adult children that are the natural, adopted or step child of you or your spouse may be covered under your medical plan until the adult child attains age 26.

**COPAYMENTS APPLY TOWARDS OUT-OF-POCKET MAXIMUM**

In addition to medical deductibles and coinsurance, copays (medical & drug) will apply toward the out-of-pocket maximum.

**MAKING CHANGES DURING THE YEAR**

Please remember that the only time enrollment changes can be made outside of open enrollment is in the case of certain life events which would qualify you for a special enrollment period. Examples of such life events include but are not limited to: birth, adoption, death, and marriage. It is your responsibility to notify Human Resources of a qualifying event. The appropriate paperwork must be submitted within 30 days of the event.

Annual open enrollment changes must be submitted no later than **November 1st, 2021**
**YOUR MEDICAL PLANS COMPARED**

**SIMILARITIES**

**IN-NETWORK VS OUT-OF-NETWORK**
Both the PPO and the HDHP will have the same network of doctors that are considered in-network versus out-of-network. Staying in-network for all services, providers, and facilities is imperative for you and your family to receive the richest benefit from your medical coverage. The out-of-network coverage is based on the allowable amount applicable for the same service that would be rendered by a network provider and you may be balance billed for anything over this amount.

**PREVENTIVE CARE**
You will see both plans also cover preventive care at 100% on the first day of your plan before satisfying your deductible. Examples of preventive care are:
- Well-child visits
- Annual checkups
- Age and gender based screenings

**FINDING A PROVIDER**
To find a UnitedHealthcare Provider, visit [UHC.com](http://UHC.com)

**WHERE TO SEEK CARE**
It can sometimes be difficult deciding where to seek medical help for you and your family members. Going to the emergency room or calling 9-1-1 is always the best option when it’s an emergency. If you need care, and it is not an emergency, here are alternative options:
1. Call your doctor
2. Visit a retail health clinic
3. Head to an urgent care facility
4. Check in at Virtual Visits online

*A list of local after hour clinics is located on page 19 of this booklet.*

**DIFFERENCES**

**HOW YOUR BENEFITS PAY ON PPO**
If you are currently on the PPO plan, this option has more coverage from day one of the plan. This is called first dollar health coverage. You will have copays for different services as well as prescriptions before meeting your deductible, which apply directly to your out-of-pocket maximum. You will pay these copays and coinsurance until your medical and prescription out-of-pocket maximums are met.

**HOW YOUR BENEFITS PAY ON HDHP**
The High Deductible Health Plan will not have copays on the first day of the plan. You will start by paying the negotiated rate your carrier has with your providers for any services and prescriptions. You will pay this negotiated rate until you satisfy your deductible and out-of-pocket maximum. After this amount is satisfied, all services and prescriptions will be covered in full.

**SURCHARGES**

**HEALTH SCREENING SURCHARGE**
You must have a preventive screening completed before the plan year begins on 1/1/2022 or you will be subject to pay a $50 monthly surcharge.

**SPOUSAL SURCHARGE**
If you carry your spouse on Montgomery County ESC’s plan and they have access to other group health insurance through their employer, they will need to join their employer’s health insurance and terminate Montgomery County ESC’s or you will be subject to a $100 monthly surcharge.

*For any questions on either of these plans, please see your HR or call McGohan Brabender by using the phone number on the last page of this booklet.*

**PrudentRx Copay Program for Specialty Medications**

**Get Specialty Medications at No Cost to You**

If you’re taking specialty medications for a chronic or complex situation (like multiple sclerosis, rheumatoid arthritis or cancer), you know how costly they can be – and that the cost continues to rise. Because we want to make sure you can get the medications you need at an affordable cost, we’re pleased to offer a new program that reduces your out-of-pocket cost for specialty medications to $0.

**Pay $0 with The Prudent Rx Copay Program**

We’re working with PrudentRx to offer The PrudentRx Copay Program as part of your prescription benefit plan. To participate, all you need to do is enroll. You’ll pay $0 for any medications on the Specialty Drug List for as long as you’re enrolled.

PrudentRx works with manufacturers to get copay card assistance for your medication. Once you get started, they’ll manage enrollment and renewals on your behalf. But even if there’s no copay card program available for your medication, your cost will be $0 for as long as you are enrolled in the program.

**Getting started is easy**

If you take a specialty medication on the Specialty Drug List, call PrudentRx at 1-800-578-4403, Monday through Friday, from 8 a.m. to 8 p.m. EST to enroll – it only takes about 10 minutes. If they don’t hear from you, a PrudentRx Advocate may give you a call. If you don’t currently take a specialty medication, but your doctor prescribes one, you can enroll at any time. Participation is voluntary, but you will pay more for your specialty medications if you choose not to enroll in the program.

If you are taking a specialty medication, watch your mailbox for more information on The PrudentRx Copay Program and changes to your plan. If you have any questions, you can call PrudentRx at the number above.

HSA OVERVIEW

HOW AN HSA WORKS

Montgomery County ESC offers a Health Savings Account to any employee enrolled in the High Deductible Health Plan and is eligible according to the IRS rules and regulations. This is a pre-tax savings account you can contribute money to directly from your paycheck. These savings can be spent on eligible expenses or saved until you need to use them. In 2020 the IRS has relaxed the list of eligible expenses to now include over-the-counter items such as, menstrual care, antacids, anti-inflammatories, etc. 100% of these funds roll over year to year, and they stay with you even if you make a career change. You will be responsible for tracking all receipts and expenses you use your HSA funds on for at least 7 years. If you are ever audited by the IRS you will need to show proof of your expenses and if deemed non-qualified, you could be subject to tax and a 20% penalty.

WHO IS ELIGIBLE FOR AN HSA?

Any Individual:

- Covered by a high deductible health plan
- Is NOT covered by any first dollar coverage
- Is NOT enrolled in Medicare, Medicaid, Tricare
- Is NOT claimed as a dependent on someone else’s tax return

For a complete list of qualified and non-qualified expenses you can visit: www.irs.gov/pub/irs-pdf/p502.pdf

**DENTAL PLAN**

Montgomery County ESC provides dental coverage through Delta Dental. Your dental plan is designed to encourage you to visit the dentist and help ensure your basic dental needs are met in a timely, cost-effective manner. This dental benefit is contributory, which means you share the premium cost with your employer. While you have the freedom to choose any dentist, if you use a network provider you can take advantage of a higher level of benefits and discounted fees. You may also use your HSA or FSA to offset the cost of dental services.

Dependent children are eligible to stay on Montgomery County ESC’s dental plan until the end of their 26th birth month. The out-of-network coverage is based on the allowable amount applicable for the same service that would be rendered by a network provider and you may be balance billed for anything over this amount.

You can use your HSA or FSA to offset the cost of vision services. You can receive benefits from any optometrist, ophthalmologist, or optician of your choice. However, if you visit a network provider, your out-of-pocket costs will generally be lower than if you visit an out-of-network provider.

Dependent children are eligible to stay on Montgomery County ESC’s Vision plan until the end of their 26th birth month.

FLEXIBLE SPENDING ACCOUNTS

WHAT IS A GENERAL PURPOSE FSA?
A Flexible Spending Account (FSA) is a tax-free account you can use to pay for eligible medical, dental, vision, and hearing expenses.

HOW IT WORKS
During open enrollment each year, you decide how much your qualifying expenses will possibly be in the coming year. Based on your elections, contributions are made through payroll deductions into your Flexible Spending Account. These deposits are made on a tax-free basis. As expenses are incurred, you may request reimbursements from your account, which are also tax-free. As an added bonus, your FSA elections will be available for use on day one of the plan year.

Unlike the HSA, unused FSA funds do not carryover to the next year. It is a “use it or lose it” concept. It is generally recommended that your contributions be predictable expenses.

WHAT IS A LIMITED PURPOSE FSA?
An individual contributing to an HSA may not simultaneously have a General Purpose health FSA that reimburses out of pocket medical expenses. However, HSA owners can have a Limited FSA. If you are currently contributing to, or plan to contribute to an HSA, a Limited FSA might be just what you need.

The difference between a General Purpose health FSA and Limited Purpose FSA is the expenses that are eligible for reimbursement.

A Limited FSA only allows for reimbursement of dental, vision or post-deductible medical expenses.

WHAT IS A DEPENDENT CARE ACCOUNT?
This is a Work-Related Dependent Care Account. This account offers tax-free reimbursement for certain day care expenses incurred so that you and your spouse can work.

WHAT DO I NEED TO DO?
Sitting down with the decision makers of your household and deciding how much your estimated eligible expenses will be for the year will be a great way to save money through this account because it is a use it or lose it account. Once you have an amount you would like to contribute, fill out the correct paperwork and notify your HR department.
Montgomery County ESC offers Basic Life and AD&D insurance through Securian Financial. Basic Life and AD&D is offered to all benefit eligible employees and is paid completely by Montgomery County ESC’s Board.

EXCEPTIONAL SERVICE IS PART OF OUR BRAND.
WE ARE GOOD, SMART PEOPLE FIGHTING FOR YOU.

WHAT WE DO
At MB, advocacy is more than a department ... it’s the foundation of our organization. Our knowledgeable problem-solvers are passionately committed to finding the right solution for every client, every time.

HOW IT WORKS
If you’ve contacted your physician or carrier and weren’t satisfied with the response, our MB Advocates are there to step in on your behalf. We have direct access to senior-level representatives at our carrier partners. We know how to get to the bottom of issues like:

Explanation of Benefits  
Provider Billing Questions  
Coordination of Benefits  
Pre-authorization Help  
Enrollment Status

For speedier resolution, have your insurance card, copies of any correspondence and details from conversations you may have had with the carrier or physician, including names and dates, EOB and bills.
