October 12, 2017 Board Report

Board Report pg.1

- Beginning cash balance: $18,599,760.19
- Receipts: 2,227,781.35
- Expenditures: 3,243,195.17
- Ending Cash Balance: $17,584,346.37
- Encumbrances: 2,364,213.75
- Adjusted cash balance: $15,220,132.62

City County pg.2

- Expenses totaling $203,801.18 for the first quarter of the fiscal year.

Investments pg.2

- As I mentioned at our last meeting, I was working with our broker to finalize some CD’s. We ended up with $1 million more in short term six month CD’s. Right now, we are laddered out to the end of 2021. Our next big month for CD’s maturing will be in November. Then we will see nearly $1.5 million mature so these may be invested in short term CD’s also depending on the status of the Northridge project. If lease terms have been finalized, these will be invested into six month CD’s that we will use to fund the this project and any others that may come up.

All Other Funds pg.3

- Quite a few of these are in the red this month. Final reports have been submitted to ODE and most have been approved at this point. We are just waiting for the money to be deposited into our account. Total of the invoices submitted are just over $130,000.

Three Year Comparison pg. 4

- As expected, expenses outpaced receipts for the month of September. Historically, September is our low point of the year on the revenue side. These numbers should increase as we get into October and issue our first round of direct bills of the fiscal year. On the other hand, expenditures took a hit as a three pay month hit in September for the second year in a row. If you look at the salary line item for this year and last as compared to FY16, it is quite the jump. Payrolls are running just under $1 million this year as we see the increase in staff and their salaries.
- Purchased services continue to climb year over year as we partner with various outside entities to help us streamline processes.
