

College Credit Plus

Presented by:
Kristin Skiles

Life ed.vanced

Previous Dual Enrollment

- Offered Dual Enrollment opportunities for the past 8 years to many school districts in Clark, Champaign, Greene, Montgomery, Logan, Union and Warren Counties
 - Currently partner with 22 different school districts offering over 120 classes to high school students in the high school
 - Annually have 150-200 students participate in PSEO

Life ed.vanced

Delivery Methods

- In the high school:
 - To be an instructor of record, the high school teacher must have *either* a Master's degree in content *or* a Master's degree in any content *with* 18 semester or 24 quarter hours of content at the graduate level.
 - An instructor who is currently pursuing a Master's degree in content may be approved conditionally by the Vice President of Academic Affairs.

Delivery Methods cont'd

- Online Options:
 - College Credit Plus specific online course offerings may be available based upon demand.
 - A Clark State faculty member would be the instructor of record. The high school could potentially facilitate the content, based upon the decision of the high school.
- On Campus:
 - Available to all 7th through 12th grade students.

Student Eligibility

- All students must complete the appropriate College Credit Plus application by the deadlines posted to be eligible to participate in College Credit Plus.
- All students will be required to submit either ACT, SAT or Compass test results prior to enrolling in the course to ensure all pre-requisites and co-requisites are met.

Life ed.vanced

Funding

- Clark State will not charge more than the amounts defined in the funding plan from the state.
- We will work with school districts to offer courses in the high school, online, and on our campus.
- We will work with every district to develop a plan that works for students and schools.

Life ed.vanced

Services to Students

- As a College Credit Plus student, each student will have all access to all of the resources as a traditional student including:
 - Tutoring assistance
 - Library services
 - College ID
 - Office of Accessibility services
 - A personal advisor to answer any questions he/she may have about the enrollment process or transferability of courses

Life ed.vanced

Professional Organizations

- Clark State is a member of NACEP, the only national accrediting body of dual enrollment best practices.
- Clark State is also a member of OADEP, the state chapter of NACEP.
 - The involvement in NACEP is crucial during the ongoing changes and gives all K-12 and IHE's a voice in the dual enrollment world in Ohio.
