

10 Ways You Can Help Our Business Advisory Council

Help us speak with a coherent voice! 

1. Participate in our March Middle School Push.

Scroll to page two for more details.

2. Tune into our Career Connections District Spotlight Videos to learn more about what's going on around the Greater Dayton area.

3. Share our region's successes on social media tonight!

Don't forget to include #MCESCBAC in your post!

Plan for this spring and summer! 

4. Plan for In-Demand Jobs Week this spring.

Consider your role in future events. Will you host a virtual career panel? Speak with students?

5. Recommend destinations for our Career Champions & Counselors Network to visit next year!

6. Submit employer recommendations for hosting paid teacher externs.

Do you know of any employers that would host a teacher to conduct an externship this summer?

Strengthen our pool of partners! 

7. Sign yourself up for the DaytonWorkforce.com Employer Portal!

8. Identify alumni to serve as possible job shadow partners this spring!

9. Provide us new prospective industry leaders to get involved with the BAC and offer paid high school internships this spring.

Provide Feedback 

10. Submit your ideas and questions to Bryan at bryan.stewart@mcesc.org.

2021 March Middle School Push - Career Connections

Social Media Posts – American Graduate: Getting to Work

ThinkTV – in partnership with the Montgomery County ESC and other community leaders – has produced five new career pathway videos focused on success stories from right here in the Dayton area. These videos feature our community's in-demand jobs and introduce viewers to the young people filling those positions, many of whom participated in CTE while in high school. We will be sharing these five videos in March.

March 1 – Network Administrator

Facebook & Newsletter

This week's Career Connection post highlights Tommy Gauvey! By the time he was 13 years old, Tommy had already built his first computer from scratch. He learned more about IT at Miami Valley Career Technology Center and, on his first job out of high school, he discovered that training and certification courses were the best pathway for his career goals. See how his pathway developed into a great career without a four-year degree: <https://bit.ly/3aOIP3> #MCESCBAC #AmGradDayton

March 8 – Dental Assistant

Facebook & Newsletter

This week's Career Connections post highlights Alina Brown! Alina enrolled at Miami Valley Career Technical Center to find a career that she could begin right out of high school. After earning her entry-level credentials as a dental assistant, she enlisted in the United States Air Force to continue her education, travel and eventually become a dentist! Share her inspiring story with the student in your life: <https://bit.ly/2ZPsy4t> #MCESCBAC #AmGradDayton

March 15 – Advanced Manufacturing

Facebook & Newsletter

This week's Career Connection post features Krissy Strode! As a hands-on learner who loved math and science, Krissy knew that she wanted to work in an engineering field. Her experiences at Sinclair Community College led to a co-op and successful job in a technology-driven manufacturing company that required a skilled touch. Watch to learn more about her story: <https://bit.ly/2MgvZhw>. Did you know a co-op can help your student jumpstart their career, even if they still plan to go to college? #MCESCBAC #AmGradDayton

March 29 – Electrician

Facebook & Newsletter

In this week's Career Connection post, meet Leyla! Leyla is continuing a family tradition of working in construction, preferring her boots and a hard hat over other work attire. See how her co-op program at the Greene County Career Center prepared her for an apprenticeship that is paying her to train as an electrician, helping her to achieve independence and avoid acquiring college debt. Check out this video to learn more: <https://bit.ly/3slqZYI>. #MCESCBAC #AmGradDayton
