

Montgomery County ESC
NM[®] Preschool Classroom

VISION

Providing a
loving school to foster
healthier young learners
and **strengthen families.**

VALUES

Our unique Neurosequential Model[®] (NM) classroom provides support for children at risk for social, emotional, and behavioral challenges. We focus on building resilience in our Foster, Kinship, and Adopted families.

This approach integrates core principles of neurodevelopment (normal functioning of the brain's ability to learn, focus, develop memories and social skills, etc) and traumatology to inform work with children, families, and the communities in which they live.

We believe in:

- **Honoring children**
 - **Regulating before educating**
- **Experiencing joy**
 - **Safe relationships**
- **Quality learning**
 - **Curiosity + discovery**

**“ Relationships
are the
agents of change
and the
most powerful therapy is
human love.”**

Dr. Bruce Perry

We offer a full-day, 5 days per week program at
Learning Center East
2528 Wilmington Pike
Dayton, Ohio 45419

For more information, please call (937) 424-3838
or email Holly.Pressley@MCESC.org
