NONDISCRIMINATION ON THE BASIS OF SEX IN EDUCATION PROGRAMS OR ACTIVITIES

Introduction

The Governing Board of the Montgomery County Educational Service Center (hereinafter referred to as “the Board” or “the Center”) does not discriminate on the basis of sex (including sexual orientation or gender identity), in its education programs or activities, and is required by Title IX of the Education Amendments Act of 1972, and its implementing regulations, not to discriminate in such a manner. The requirement not to discriminate in its education program or activity extends to admission and employment. The Board is committed to maintaining an education and work environment that is free from discrimination based on sex, including sexual harassment.

The Board prohibits Sexual Harassment that occurs within its education programs and activities. When the Center has actual knowledge of Sexual Harassment in its education program or activity against a person in the United States, it shall promptly respond in a manner that is not deliberately indifferent.

Pursuant to its Title IX obligations, the Board is committed to eliminating Sexual Harassment and will take appropriate action when an individual is determined responsible for violating this policy. Board employees, students, third-party vendors and contractors, guests, and other members of the School Center community who commit Sexual Harassment are subject to the full range of disciplinary sanctions set forth in this policy. The Board will provide persons who have experienced Sexual Harassment ongoing remedies as reasonably necessary to restore or preserve access to the Center’s education programs and activities.

Coverage

This policy applies to Sexual Harassment that occurs within the Center’s education programs and activities and that is committed by a member of the School Center community or a Third Party, where the district has substantial control over both the Respondent and the context in which the sexual harassment occurs.

Consistent with the U.S. Department of Education’s implementing regulations for Title IX, this policy does not apply to Sexual Harassment that occurs outside the geographic boundaries of the United States, even if the Sexual Harassment occurs in the Center’s education programs or activities. Sexual Harassment that occurs outside the geographic boundaries of the United States is governed by the Student Code of Conduct if committed by a student, or by Board policies and administrative guidelines, applicable State and/or Federal laws.

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed
Sexual Harassment: “Sexual Harassment” means conduct on the basis of sex that satisfies one or more of the following:

A. Board employee conditioning the provision of an aid, benefit, or service of the Center on an individual’s participation in unwelcome sexual conduct (often called “quid pro quo” harassment);

B. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the Center’s education program or activity; or

Sexual assault” means any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent. Sexual assault includes rape, sodomy, sexual assault with an object, fondling, incest, and statutory rape.

1. Rape is the carnal knowledge of a person (i.e., penetration, no matter how slight, of the genital or anal opening of a person), without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

2. Sodomy is oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

3. Sexual Assault with an Object is using an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. An “object” or “instrument” is anything used by the offender other than the offender’s genitalia.

4. Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

5. Incest is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by State law.

6. Statutory Rape is sexual intercourse with a person who is under the statutory age of consent as defined by State law.
7. *Consent* refers to words or actions that a reasonable person would understand as agreement to engage in the sexual conduct at issue. A “document filed by a complainant” means a document or
electronic submission (such as by electronic mail or through an online portal that the Board provides for this purpose) that contains the Complainant’s physical or digital signature, or otherwise indicates that the Complainant is the person filing the Formal Complaint. Where the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator is not a Complainant or a party to the Formal Complaint and must not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

**Actual Knowledge:** “Actual knowledge” means notice of Sexual Harassment or allegations of Sexual Harassment to the Center’s Title IX Coordinator, or any Board employee. “Notice” includes, but is not limited to, a report of Sexual Harassment to the Title IX Coordinator. This standard is not met when the only Center official with actual knowledge is the Respondent.

**Supportive Measures:** “Supportive measures” means non-disciplinary, non-punitive individualized services offered as appropriate and reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a Formal Complaint or where no Formal Complaint has been filed. Such measures are designed to restore or preserve equal access to the Center’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the Center’s educational environment, or deter Sexual Harassment or retaliation. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, school/campus escort services, mutual restrictions of contact between the parties, changes in work locations), leaves of absence, increased security and monitoring of certain areas of the campus (including school buildings and facilities), and other similar measures.

Grievance Process and Procedures

The Board is committed to promptly and equitably resolving student and employee complaints alleging Sexual Harassment. The Center’s response to allegations of Sexual Harassment will treat Complainants and Respondents equitably, including providing supportive measures to the Complainant and Respondent, as appropriate, and following this Grievance Process before imposition of any disciplinary sanctions or other actions, other than supportive measures, against the Respondent.

The Title IX Coordinator(s), along with any investigator(s), decision-maker(s), or any person(s) designated to facilitate an informal resolution process, shall not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

If a determination of responsibility for Sexual Harassment is made against the Respondent, the Board will provide remedies to the Complainant. The remedies will be designed to restore or preserve equal access to the Center’s education program or activity. Potential remedies include, but are not limited to, individualized services that constitute supportive measures. Remedies may also be disciplinary or punitive consequences imposed against a Respondent who violates the Policy.

Report of Sexual Discrimination/Harassment

Any person may report sex discrimination, including Sexual Harassment (whether or not the person reporting is the person
alleged to be the victim of conduct that could constitute sex discrimination or Sexual Harassment), in person, by mail, by telephone, or by electronic mail, using the Title IX Coordinator’s(s’) contact information listed above, or by any other means that results in the Title IX Coordinator receiving the person’s oral or written report. Reports may be made at any time (including during non-business hours), by using the telephone number(s) or electronic mail address(es), or by mail to the office address(es), listed for the Title IX Coordinator(s).

Students, Board members, and Board employees are required, and other members of the School Center community, and Third Parties) are encouraged, to report allegations of sex discrimination or Sexual Harassment promptly to the/a Title IX Coordinator or to any Board employee, who will in turn notify the/a Title IX Coordinator. Reports can be made orally or in writing and should be as specific as possible. The person making the report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es) of the sexual discrimination or harassment, and describe in detail what occurred, including date(s), time(s), and location(s).

If a report involves allegations of Sexual Harassment by or involving one of the Title IX Coordinators, the person making the report should submit it to the other Title IX Coordinator.

The Board does business with various vendors, contractors, and other third-parties who are not students or employees of the Board. Notwithstanding any rights that a given vendor, contractor, or third-party Respondent may have under this policy, the Board retains the right to limit any vendor’s, contractor’s, or third-party’s access to school grounds for any reason. The Board further retains all rights it enjoys by contract or law to terminate its relationship with any vendor, contractor, or third-party irrespective of any process or outcome under this policy.

A person may file criminal charges simultaneously with filing a Formal Complaint. A person does not need to wait until the Title IX investigation is completed before filing a criminal complaint with law enforcement authorities. Likewise, questions or complaints relating to Title IX may be filed with the U.S. Department of Education’s Office for Civil Rights at any time.

Any allegations of Sexual Misconduct/Sexual Activity not involving Sexual Harassment will be addressed through the procedures outlined in Board policies the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

Because the Board is considered to have actual knowledge of Sexual Harassment or allegations of Sexual Harassment if any Board employee has such knowledge, and because the Board must take specific actions when it has notice of Sexual Harassment or allegations of Sexual Harassment, a Board employee who has independent knowledge of or receives a report involving allegations of sex discrimination and/or Sexual Harassment must notify the/a Title IX Coordinator within three (3) days of learning the information or receiving the report. The Board employee must also comply with mandatory reporting responsibilities pursuant to R.C. 2151.412 and Policy 8462 – Student Abuse and Neglect, if applicable. If the Board employee’s knowledge is based on another individual bringing the information to the Board employee’s attention and the reporting individual submitted a written complaint to the Board employee, the Board employee must provide the written complaint to the Title IX Coordinator.

If a Board employee fails to report an incident of Sexual Harassment of which the Board employee is aware, the Board employee may be subject to disciplinary action, up to and including termination.
When a report of Sexual Harassment is made, the Title IX Coordinator shall promptly (i.e., within two (2) days of the Title IX Coordinator’s receipt of the report of Sexual Harassment) contact the Complainant (including the parent/guardian if the Complainant is under 18 years of age or under guardianship) to discuss the availability of supportive measures, consider the Complainant’s wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the Complainant or Respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the Center to provide the supportive measures.

**Emergency Removal:** Subject to limitations and/or procedures imposed by State and/or Federal law, the Center may remove a student Respondent from its education program or activity on an emergency basis after conducting an individualized safety and risk analysis. The purposes of the individualized safety and risk analysis is to determine whether the student Respondent poses an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Sexual Harassment that justifies removal. If the Center determines the student Respondent poses such a threat, it will so notify the student Respondent and the student Respondent will have an opportunity to challenge the decision immediately following the removal. See Policy 5610 – Removal, Suspension, Expulsion, and Permanent Exclusion of Student, Policy 5610.03 – Emergency Removal of Students, and Policy 5611 – Due Process Rights. If the Respondent is a non-student employee, the Center may place the Respondent on administrative leave during the pendency of the grievance process.

For all other Respondents, including other members of the School Center community and Third Parties, the Board retains broad discretion to prohibit such persons from entering onto its school grounds and other properties at any time and for any reason, whether after receiving a report of Sexual Harassment or otherwise.

**Formal Complaint of Sexual Harassment**

A Formal Complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information set forth above. If a Formal Complaint involves allegations of Sexual Harassment by or involving the Title IX Coordinator, the Complainant should submit the Formal Complaint to the Superintendent, who will designate another person to serve in place of the Title IX Coordinator for the limited purpose of implementing the grievance process and procedures with respect to that Formal Complaint.

When the Title IX Coordinator receives a Formal Complaint or signs a Formal Complaint, the ESC will follow its Grievance Process and Procedures, as set forth herein. Specifically, the Center will undertake an investigation and objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence.

The Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
It is a violation of this policy for a Complainant(s), Respondent(s), and/or witness(es) to knowingly making false statements or knowingly submitting false information during the grievance process, including intentionally making a false report of Sexual Harassment or submitting a false Formal Complaint. The Board will not tolerate such conduct, and any individual engaging in such conduct is subject to disciplinary consequences.

**Timeline**

The Center will seek to conclude the grievance process, including resolving any appeals, within sixty (60) days of receipt of the Formal Complaint.

If the Title IX Coordinator offers informal resolution processes, the informal resolution processes may not be used by the Complainant or Respondent to unduly delay the investigation and determination of responsibility. The timeline, however, may be subject to a temporary delay of the grievance process or a limited extension for good cause with written notice to the Complainant and the Respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party’s advisor, or a witness; concurrent law enforcement activity; and the need for language assistance or accommodation of disabilities. The Title IX Coordinator will provide the parties with reasonable updates on the status of the grievance process.

Upon receipt of a Formal Complaint, the Title IX Coordinator will provide written notice of the following to the parties who are known:

- **A.** Notice of the Board’s grievance process, including any informal resolution processes;

- **B.** Notice of the allegations of misconduct that potentially constitutes Sexual Harassment as defined in this policy, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting Sexual Harassment, and the date and location of the alleged incident, if known. The written notice must:

  1. include a statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made at the conclusion of the grievance process;

  2. inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence.

  3. inform the parties of any provision in the Student Code of Conduct, this policy, and/or Employee/Administrator Handbook that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, during the course of the investigation, the investigator becomes aware of allegations about the Complainant or Respondent that are not included in the original notice provided to the parties, the investigator will notify the Title IX Coordinator and the Title IX Coordinator will decide whether the investigator should investigate the additional allegations; if the Title IX Coordinator decides to include the new allegations as part of the investigation, the Title IX Coordinator will
provide notice of the additional allegations to the parties whose identities are known.

**Dismissal of a Formal Complaint**

The Center shall investigate the allegations in a Formal Complaint, *unless* the conduct alleged in the Formal Complaint:

A. would not constitute Sexual Harassment (as defined in this policy) even if proved;
B. did not occur in the Center’s education program or activity; or
C. did not occur against a person in the United States.

If one of the preceding circumstances exist, the Title IX Coordinator *shall* dismiss the Formal Complaint. If the Title IX Coordinator dismisses the Formal Complaint due to one of the preceding reasons, the Center may still investigate and take action with respect to such alleged misconduct pursuant to another provision of an applicable code of conduct, Board policy, and/or Employee/Administrator Handbook.

The Title IX Coordinator *may* dismiss a Formal Complaint, or any allegations therein, if at any time during the investigation:

A. Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegations therein;
B. the Respondent is no longer enrolled in the Center or employed by the Board; or
C. specific circumstances prevent the Center from gathering evidence sufficient to reach a determination as to the Formal Complaint or allegations therein.

If the Title IX Coordinator dismisses a Formal Complaint or allegations therein, the Title IX Coordinator must promptly send written notice of the dismissal and the reason(s) therefor simultaneously to the parties.

**Consolidation of Formal Complaints**

The Title IX Coordinator may consolidate Formal Complaints as to allegations of Sexual Harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party, where the allegations of Sexual Harassment arise out of the same facts or circumstances.

Where a grievance process involves more than one Complainant or more than one Respondent, references in this policy to the singular ‘‘party,’’ ‘‘Complainant,’’ or ‘‘Respondent’’ include the plural, as applicable.

**Informal Resolution Process**

Under no circumstances shall a Complainant be required as a condition of enrollment or continuing enrollment, or employment or continuing employment, to waive any right to an investigation and adjudication of a Formal Complaint of
Sexual Harassment. Similarly, no party shall be required to participate in an informal resolution process.

If a Formal Complaint is filed, the Title IX Coordinator may offer to the parties an informal resolution process. If the parties mutually agree to participate in the informal resolution process, the Title IX Coordinator shall designate a trained individual to facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication. The informal resolution process may be used at any time prior to the decision-maker(s) reaching a determination regarding responsibility.

If the Title IX Coordinator is going to propose an informal resolution process, the Title IX Coordinator shall provide to the parties a written notice disclosing:

A. the allegations;
B. the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a Formal Complaint arising from the same allegations; and
C. any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the Formal Complaint.

Before commencing the informal resolution process, the Title IX Coordinator shall obtain from the parties their voluntary, written consent to the informal resolution process.

During the pendency of the informal resolution process, the investigation and adjudication processes that would otherwise occur have stayed and all related deadlines are suspended.

The informal resolution process is not available to resolve allegations that a Board employee sexually harassed a student.

**Investigation of a Formal Complaint of Sexual Harassment**

In conducting the investigation of a Formal Complaint and throughout the grievance process, the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility is on the Center, not the parties.

In making the determination of responsibility, the decision-maker(s) is(are) directed to use the ( ) preponderance of the evidence standard. The decision-maker(s) is charged with considering the totality of all available evidence, from all relevant sources.

The ESC is not permitted to access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional’s or paraprofessional’s capacity, or assisting in that capacity, and which are made and maintained in connection with the provision
of treatment to the party, unless the party provides the Center with voluntary, written consent to do so; if a student party is not an Eligible Student, the Center must obtain the voluntary, written consent of the student’s parents or legal guardian.

Similarly, the investigator(s) and decision-maker(s) may not require, allow, rely upon or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege in writing.

As part of the investigation, the parties have the right to:

A. present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence; and
B. have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney. The Center may not limit the choice or presence of an advisor for either the Complainant or Respondent in any meeting or grievance proceeding.

The Center establishes the following restrictions, which apply equally to both parties, regarding the extent to which an advisor may participate in the proceedings: May not engage in disruptive behavior during meetings, may not be a witness and may not answer questions for any party or witness.

Neither party shall be restricted in their ability to discuss the allegations under investigation or to gather and present relevant evidence.

The Center will provide to a party whose participation is invited or expected written notice of the date, time, location, participants, and purpose of all investigative interviews, or other meetings, with sufficient time for the party to prepare to participate. The investigator(s) and decision-maker(s) must provide a minimum of two (2) days’ notice with respect to investigative interviews and other meetings.

Both parties shall have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the Formal Complaint, including the evidence upon which the Center does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation.

Prior to completion of the investigative report, the Title IX Coordinator will send to each party and the party’s advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least ten (10) calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report.

At the conclusion of the investigation, the investigator shall create an investigative report that fairly summarizes relevant evidence and simultaneously send the report to each party and the party’s advisor, if any, for their review and written response. The investigator shall also provide a copy of the report to the Title IX Coordinator and decision maker. The investigator will send the investigative report in an electronic format or a hard copy, at least ten (10) calendar days prior to the
Determination of Responsibility

The Title IX Coordinator shall appoint a decision-maker(s) to issue a determination of responsibility. The decision-maker(s) cannot be the same person(s) as the Title IX Coordinator(s) or the investigator(s).

After the investigator sends the investigative report to the parties and the decision-maker(s), and before the decision-maker(s) reaches a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

The decision maker may also make inquiries of any party or witness regarding additional information sought by the decision maker. In any such instance, the decision maker shall provide the additional information to the parties and allow then two days for their written review and response, prior to the decision maker issuing a determination of responsibility.

Questions and evidence about the Complainant’s sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant’s prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant’s prior sexual behavior with respect to the Respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

**Determination regarding responsibility:** The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) must apply the preponderance of the evidence standard.

The written determination will include the following content:

A. identification of the allegations potentially constituting Sexual Harassment pursuant to this policy;
B. a description of the procedural steps taken from the receipt of the Formal Complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, [and] methods used to gather other evidence;
C. findings of fact supporting the determination;
D. conclusions regarding the application of the applicable code of conduct to the facts;
E. a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the decision-maker(s) is recommending that the Center impose on the Respondent(s), and whether remedies designed to restore or preserve equal access to the Center’s education program or activity should be provided by the Center to the Complainant(s); and
F. the procedures and permissible bases for the Complainant(s) and Respondent(s) to appeal.

Disciplinary sanctions/consequences may be imposed on a student Respondent who is determined responsible for
violating this policy (i.e., engaging in Sexual Harassment), ranging from informal discipline to formal discipline (i.e. suspension/expulsion).

If the decision-maker(s) determines the student Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. An authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with Policy 5600 – Student Discipline, Policy 5605 – Suspension/Expulsion of Students with Disabilities, Policy 5610 – Removal, Suspension, Expulsion, and Permanent Exclusion of Students, Policy 5601.01 – Permanent Exclusion of Nondisabled Students, Policy 5610.02 – In-School Discipline, Policy 5610.03 – Emergency Removal of Students, Policy 5610.04 – Suspension of Bus Riding/Transportation Privileges, Policy 5610.05 – Prohibition from Extra-Curricular Activities, and Policy 5611 – Due Process Rights. Discipline of a student Respondent must comply with the applicable provisions of the Individuals with Disabilities Education Improvement Act (IDEA) and/or Section 504 of the Rehabilitation Act of 1972, and their respective implementing regulations.

Disciplinary sanctions/consequences may be imposed on an employee Respondent who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment) up to an including termination.

If the decision-maker(s) determines the employee Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. An authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with applicable due process procedures, whether statutory or contractual. Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

The following disciplinary sanctions/consequences may be imposed on a non-student/non-employee member of the School Center community or Third Party who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment) ranging from oral or written warnings up to cancellation of restrictions from Board property.

If the decision-maker(s) determines the third-party Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including imposition of sanctions. The Superintendent will take appropriate action based on the recommendation.

The decision-maker(s) will provide the written determination to the Title IX Coordinator who will provide the written determination to the parties simultaneously.

In recommending a disciplinary sanction/consequence, the decision maker will consider the severity of the incident, previous disciplinary violations (if any), and any mitigating circumstances.

The ESC’s resolution of a Formal Complaint ordinarily will not be impacted by the fact that criminal charges involving the same incident have been filed or that charges have been dismissed or reduced.
At any point in the grievance process and procedures, the Superintendent may involve local law enforcement and/or file criminal charges related to allegations of Sexual Harassment that involve a sexual assault.

The Title IX Coordinator is responsible for effective implementation of any remedies.

**Appeal**

Both parties have the right to file an appeal from a determination regarding responsibility, or from the Title IX Coordinator’s dismissal of a Formal Complaint or any allegations therein, on the following bases:

A. A procedural irregularity occurred that affected the outcome of the matter (e.g., material deviation from established procedures);
B. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
C. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant(s) or Respondent(s) that affected the outcome of the matter.

The parties may not challenge the ultimate disciplinary sanction/consequence that is imposed under this policy. However, a respondent retains all rights provided to them under State law or any applicable collective bargaining agreement.

Any party wishing to appeal the decision-maker(s)’s determination of responsibility, or the Title IX Coordinator’s dismissal of a Formal Complaint or any allegations therein, must submit a written appeal to the Title IX Coordinator within five (5) days after receipt of the decision-maker(s)’s determination of responsibility or the Title IX Coordinator’s dismissal of a Formal Complaint or any allegations therein.

As to all appeals, the Title IX Coordinator will notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties.

The decision-maker(s) for the appeal shall not be the same person(s) as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator(s). The decision-maker(s) for the appeal shall not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant(s) or Respondent(s) and shall receive the same training as required of other decision-makers.

Both parties shall have a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome.

The parties written statements in support of, or challenging , the determination of responsibility must be submitted within five (5) days after Title IX Coordinator provides notice to the non-appealing party of the appeal.

The decision-maker(s) for the appeal shall issue a written decision describing the result of the appeal and the rationale for the
result. The original decision-makers(s’) determination of responsibility will stand if the appeal request is not filed in a timely manner or the appealing party fails to show clear error and/or a compelling rationale for overturning or modifying the original determination. The written decision will be provided to the Title IX Coordinator who will provide it simultaneously to both parties. The written decision will be issued within ten (10) days of when the parties’ written statements were submitted.

The determination of responsibility associated with a Formal Complaint, including any recommendations for remedies/disciplinary sanctions, becomes final when the time for filing an appeal has passed or, if an appeal is filed, at the point when the decision-maker(s) for the appeal’s decision is delivered to the Complainant and the Respondent. ( ) No further review beyond the appeal is permitted.

**Retaliation**

Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or Sexual Harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or Formal Complaint of Sexual Harassment, for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, constitutes retaliation. Retaliation against a person for making a report of Sexual Harassment, filing a Formal Complaint, or participating in an investigation, is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation related to a complaint of sexual harassment may be filed according to the grievance procedures set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

**Confidentiality**

The Center will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a Formal Complaint of Sexual Harassment under this policy, any Complainant, any individual who has been reported to be the perpetrator of sex discrimination, any Respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the Center’s obligation to maintain
confidentiality shall not impair or otherwise affect the Complainant’s and Respondent’s receipt of the information to which they are entitled related to the investigative record and determination of responsibility).

**Application of the First Amendment**

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution. In no case will a Respondent be found to have committed Sexual Harassment based on expressive conduct that is protected by the First Amendment.

**Training**

The Center’s Title IX Coordinator, along with any investigator(s), decision-maker(s), or person(s) designated to facilitate an informal resolution process, must receive training on:

- the definition of Sexual Harassment (as that term is used in this policy);
- the scope of the Center’s education program or activity;
- how to conduct an investigation and implement the grievance process appeals and informal resolution processes, as applicable; and
- how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interests, and bias.

**Recordkeeping**

As part of its response to alleged violations of this policy, the Center shall create, and maintain for a period of seven (7) calendar years, records of any actions, including any supportive measures, taken in response to a report or Formal Complaint of Sexual Harassment. In each instance, the Center shall document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the Center’s education program or activity. If the Center does not provide a Complainant with supportive measures, then the Center will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the Center in the future from providing additional explanations or detailing additional measures taken.

The Center shall maintain for a period of seven (7) calendar years the following records:

- each Sexual Harassment investigation including any determination regarding responsibility, any disciplinary sanctions recommended and/or imposed on the Respondent(s), and any remedies provided to the Complainant(s) designed to restore or preserve equal access to the Center’s education program or activity
- any appeal and the result therefrom
any informal resolution and the result therefrom, and

all materials used to train Title IX Coordinators, investigators, decisionmakers, and any person who facilitates an informal resolution process.

The Center will make its training materials publicly available on its website. ( ) If a person is unable to access the Center’s website, the Title IX Coordinator will make the training materials available upon request for inspection by members of the public.
